

Right waste, right place!

Please put the right waste in the right sack to help us to recycle more and cut down waste.

Did you know...
Food left in packaging
spoil your recycling?
Please rinse
your containers.

Your clear recycling sacks are for:

- Clean paper and cardboard
- Drink and food cartons
- Plastic bottles
- Plastic pots, tubs and trays (but not black plastic ones)
- Aluminium packaging, cans and clean kitchen foil
- Metal food cans and tins

Right waste, right place!

Please put the right waste in the right sack to help us to recycle more and cut down waste.

Did you know...

A fifth of food waste found in black sacks is still in its packaging?
Buy only what you need.

Your black sacks are for:

- Food waste
- Soiled paper and card
- Black plastics
- Plastic bags
- Crisp packets
- Cling film and film lids
- Pet food pouches
- Paper plates and cups
- Disposable nappies
